ABOUT THE INSTITUTE

Ideal Institute of Management and Technology was setup in 1999 under the aegis of New Millennium Education Society. The society came into being with a clear objective to establish and run Institution for Professional, Technical and Management Education in accordance with the policies and the regulations of the State Government and Central Government. The word "New Millennium Education" aimed at, by the society, is in full tune with the requirements of New Millennium - "*An education that ensures a career for the individual fulfils the need of the society and meets the demands of the nation.*" From a very modest start, the institution has now acquired a commendable position as premier institution in imparting education for BBA, BBA(CAM) and BALL.B. programmes of G.G.S. Indraprastha University, Delhi.

ABOUT THE FDP

The sudden emergence of Covid-19 has necessitated many revolutionary changes in the functioning of every sector of our society. This unexpected Global phenomenon threw many Challenges but also opened the way for various unexplored Opportunities, Strategies and Innovations. In this rapidly changing environment, we as researchers and teachers, need to develop our skills and competencies to adapt to the new developments. because we do not only affect our lives but also touch those of our students. This FDP is designed to give the participants an insight into Global Educational and Economic Order in the Post-Covid-19 Era. The concept behind this Faculty Development Programme is to inculcate skills in the teaching fraternity that relate to effectively dealing with Emerging Challenges & identifying the ample Opportunities unfolding for all of us. The focus of the programme will be to develop an understanding of advances made in the field of Management, Information Technology and Law, in the wake of COVID -19.

FDP Objectives:

- To help the researcher and faculty members in Concept Development with the focus on new Global Educational and Economic order.
- To provide exposure to the participants about Emerging Opportunities and Challenges.
- To deliberate on the Developmental Strategies in the post Covid-19 Era.
- To help inculcate Innovation in different areas of research
- To discuss and interact with experts and learn from their experience in different areas of research across the globe.
