

STUDENT SATISFACTION SURVEY

Feedback on the teaching-learning process is collected from students in the form of "Students Satisfaction Survey" based on a structured questionnaire framed and approved by the IQAC of this college. The institute is making use of the questionnaire suggested by NAAC for receiving the feedback. The students can easily access the questionnaire from the 'feedback' section of the institute website.

The feedback so received is analyzed by the IQAC and uploaded on the institute website and it is also forwarded to the Head of the institution with necessary suggestions based on this feedback.

4. There should be focus on preparing the students to face the current and future challenges of the work place and industry
5. The Law students should be provided with more information about current cases and Intra Moot Courts should be organised more often,
6. More alumni connect should be there.
